

Are you a middle or high school nurse in Johnson or Wyandotte County in Kansas or Clay, Jackson or Platte County in Missouri?

Visit the Primaris exhibit to pick up your
FREE copy of ***Give it a Shot! Toolkit
for Nurses and Other Immunization
Champions Working in Secondary
Schools!***

Toolkit includes:

- Current adolescent immunization information
- Tips to incorporate immunizations into your everyday work
- Templates for your adaptation
- CD with manual and handouts
- DVD with teen-friendly video *The Case of the Missing Shots* and parent video *Vaccines: Separating Fact from Fear*
- Self-study questions for nurses and certified health education specialists (CHES) to submit for CEU credit

This toolkit, recently published by the American School Health Association, includes practical, field tested ideas ready for use.
